I made a decision when I saw these at the shop.
Last thing I ate was a bonus chocolate.
I've lived 'til this day, since I don't wanna die, but
I'm almost at my limit.
There's a badge in each choco. 12 different badges in totol.
Complete the set, and I'll set out.
VICTORY

BOOM
Call it a journey to life.
Out to find survivors.

But here I am,
missing just one badge.
I just can't get it.
LOVE

We never talked at school.

Even though I came to save her.
That Rachel is now exposing her bras.
